Re: I'm being denied medical treatment;

Dear Ms. Toomey:

I'm writing concerning medication; being up dated. and other taken away; the side effect pills that balance the pill I'm supposed to be taken for sleeping to hard; - in which the pill makes me 'sleep harder!' ~ They are intentionally given me this medication to make me sleep harder then I'm complaining about.

On the 6<sup>th</sup> day of January, 2018. A Dr. DUNN, came around who didn't want to step at my cell. At first; my cellmate, - keep on ~~calling~~ calling; I made it to the door her, that I'm still haven't problem waken; feeling bad! She ask "are you taken your medicine?", I stated 'Yeah!'; I said ~~It's~~ It's not working you got to take your medication she ask "What do you take?" I said I don't know", she got my number #, then left.

On the 8<sup>th</sup> of Jan, 2018. I received my medicine, she up-graded to another ~~one~~ (blue pill.) That makes me sleep harder!! took the (benydrilz) off; which is a balance for these; so when I ~~wake~~ wake up. I was dizzy, mouth dry, eyes was blurry; didn't have the balance to the ~~medication~~ medication.

This is to a violation medical ~~medication~~ <sup>medical practice,</sup> Jacques V. Stele, - 127 misc. 2D 769, 487 ~~and 2018~~ 2d. 463, 466, (N.Y. CT. CL. 1984) a 8<sup>th</sup> amend. Cruel and unusual P.V.S. 2d. 463, 466, (N.Y. CT. CL. 1984) Punishment

I am aware of the ongoing (retaliation) by staff. I'll - because I'm complaining about the on going violation the (P.R. 2003) that's occurring with me at this prison. And isn't nothing being done about it. . . I requested to be move in a cell by myself. Due to (Gang members) are working with staff to have all these major violation! (Abusive Institutional Practice) Remember this has been going on for years! I'm just prison waste, so its hard to hurt me mentally! I've been down that road several times before.

It's all to make me act out in violence' in which I've haven't done that yet? Hopefully, I want. But as of right now, the only way these 'Gangmembers' can't attack me is in my sleep!

Due to another one is trying to keep me incarcerated; cause I do come up for parole soon and they don't want me out. Looking forward on hearing back from you soon on these issue.

RE: (NOTICE) OF TRUTHFUL ALLEGATIONS; 'Confidential'

Dear Mr. Houston:

I am in correspondence of your letter date March 8, 2017-18  
 And for the record I want you to know, if you send a [investigator]  
other than the one here; who's believe that I'm 'lying' just to get in  
 a (one man cell); this is not true... They have gang members who  
 really doing these allegations I'm talking about... This goes all the-  
 way back from 'Marshall County Correctional Facility' (M.C.C.F.) some five  
 (5) years back. And the gang members here are trying to Extort my -  
 family by taken these pictures by cell phone; showing them. Plus,  
 other stuff, this is why I want to talk to a (investigator) other - -  
 then the one "Lt. Turner or Lt. Rita Bonner", who's covering up for these  
 gang members here which they are working together cause I'm in -  
 a (one man cell now; and still no <RED TAGS> has been given to me;

Plus, this Rita Bonner, is trying to say I've been to (S.M.C.I.)  
 I've never been there only for (receiving; and transferring) that's it  
 and this was in (1996) and (2012) — Showing you how they are -  
 trying to justify leaving me in that cell with (Raymond Pitts) who - -  
 work for the gang members, plus (Wilbert Gilely) — the only two (2)  
 cell mates, I had since I've been at this facility.

Staff here are just trying cover-up leaving me in the cell with  
 these (sexual-predator) inmates, that's former gang members, must  
 perform these acts or get stabbed up! This is why I need to talk -  
 someone.

Correspondence, date letter "January 4, 2014."

Dear Mrs. Arbutnot:

I am writing to let you know that any Unit you can put me in; will do. As long as its a cell by myself due to my life being endanger everyday as long as I'm in the cell with someone ... You are aware that most of the inmates on C-D-E, section are (gang members); so they have to do what the head says! Even the ones that's not in a gang, any more ... So by you placing a inmate in a cell with me, knowing that they have to do what the gangs says this placing my life endanger, I have been assaulted "OVER & OVER" again. And I told you'll several times of this problem that's been going on with me for years ... When I arrived on (March 22, 2017), in the kitchen. But you'll still place a inmate in the cell with me.

This is a direct violation of the M.D.O.C. policy title: 'Placement', < Prison Rape Elimination Act of 2003 > and "Protection From Harm", cause you and your staff had knowledge of my problem, but fail to provide protection.

I'm looking forward in hearing back from you concerning this matter.

To whom it may concern:

On the 29th day of January, 2018. Around 2:20 - 2:29 AM, before counttime. I was coming out of the ILAP/DEPT. and 'sat' down by the door. . . Capt. Green, came to the scene first, I told him, that "I wasn't going in that cell anymore" Due to more sexual assaults (P.R.E.A of 2003) that's been happen with me by (gang members) over the years. And still happen with me. Right when I came out of the pod. The white tall inmate 'Ryan', grabb him self. At this facility. Later a 'bold headed etc. (LT.)', the same guy I talk with on the 22nd of Jan. 2018. Who told me to get up; cause I wasn't no threat; as I was walk ing. With him (LT. MILES) and Capt. Green, approach & stating "you going back to that pod. Im going to give you two (2), verbal warning, then Im going to spray!" I said "one already gone!" ~ He told the bold headed - (LT.) to use his cell phone, for "recording of the spraying he talk, at the phone, and "Without calling the "psychological dept." to see if the use of mase, can be avoided; didn't call Psych. Gale or Dr. Dunn; (LT. MILES) sprayed twice on the face, After words, took me to the clinic, they check my "blood pressure, and "temp." and weight. NOT ONCE! did they wash the mase out of my eyes, which was burning! They didn't give me nothing for the pain, the more. A clear - violation of {Medical Health Care} # SOP. 25-04-6

I've been trying to get some assistance from these M.T.C. officials; but yet they want see pass the compitness of this facility. Their NO WAY!, I was supposed to be denied the right to protect myself from physical violence by another inmate, white on PROTECTIVE CUSTODY, "PC".

To whom it may concern:

On the 3<sup>rd</sup> day of April, 2018: Around 11:20-12:00 pm. Capt. Scott and other officers, Capt. Green, and other Capt. Scott, told me to pack up; I said where I'm going, she said to pack up! I said I Aint going nowhere! She call for back up. They came in the cell; without placing me in restraints no cuffs; etc. - They came in the cell start talking as if I dont - pack they'll use force threats by Capt. Green, started packing; I guess I was taking to long, cause Capt. Green started grabbing my property placing in the cart.. I ask You know I aint supposed to be housed back on - Delta PD" Capt. Green, said you going back on PC pool.

Capt. Scott is in direct violation for placing me back in the cell with another inmate, do to P.R.E.A/Violation which offender, occurring with me over the years. included this pool. Where I call <P.R.E.A. HOTLINE> concerning me being tempting with white sleep.

PROTECTIVE MEASURES - Recommended action taken to provide for offenders safety based upon presumed substantiated threat of danger Capt. Green has place my life in danger once again by placing me back in a cell with another inmate showing no concerns or warefare of my safety. After knowing I'm on p.c. and my reason(s) for being place in a cell by myself.

Unnecessary Use of force: Capt. Green, come in without any restraints - hand cuff, open the comes. in, and make like hes, going to pack my - property himself and stating that I wrote him up for spraying him -

when Lt. Miles, ... the one who did... And this officers was being unprofessioned in his task or job.

Thank you for your letter. The Special Litigation Section relies on information from community members to identify civil rights violations. The Special Litigation Section is one of several Sections in the Civil Rights Division. We work to protect civil rights in four areas: 1) the rights of people in state or local institutions, including: jails, prisons, juvenile detention facilities, and health care facilities for persons with disabilities (including whether persons in health care facilities should be getting services in the community instead); 2) the rights of people who interact with state or local police or sheriffs' departments; 3) the rights of people to have safe access to reproductive health care clinics or religious institutions; and 4) the rights of people to practice their religion in state and local institutions. We are not authorized to address issues with federal facilities or federal officials.

If your concern is not within this Section's area of work, you may wish to consult the Civil Rights Division web page to find the correct section: [www.justice.gov/crt](http://www.justice.gov/crt).

The Special Litigation Section only handles cases that arise from widespread problems that affect groups of people. We do not assist with individual problems. On the 27th day of March, 2018; Arrived for about 8:27-8:37 am.

I call PREA HOTLINE, At 9:30-9:50 am (Investigator Lt. Turner) came on - the Pod, (Ad. Seg.) at Wilkinson County Correctional Facility (WCCF) And went up stairs to see cell: 201 and then left, with seeing me, I start writing a grievance, as when I was rapping it up, Here comes Lt. Turner and Warden Turney, After lunch time 10:00-11:00 am. Comes to my cell stating you call PREA. I stated YES! Cause these inmates are verbally harassing me, by calling me 'PUNKS' all day long, I tired of it And they got some type of device watching me to "That's not a reason to call - 'PREA', stated Warden Turney" I stated YES it is! She. stated: NO ITS NOT! \* Lt. Turner took over, and stated "LOOK! You call PREA one more time you f---ing, C---, Sucker! I'm gonna to take your scare a-- to general population myself. And make sure they f--- you in the a-- That's why! your a-- is in 'seg'. In the first place! You send some one was f---ing & stretching their d--- in your mouth! ~ I stated, That's not why I call 'prea', in what ~~case~~ dose that have to do with this inmates calling me names? ~ You keep on talking I'm gonna take your a-- to general population, right now! ~ I said come on with it, aint nobody scare of GIP!

Lt. Turner, told the officer, to get some cuffs, and she did. ~ Then he told me, to bag up, put both hands out, I did. ~ Came out he told me to catch the wall, when I did Lt. Turner push me up - against the wall & "Grab the shackles", he cuff one leg, took my shoes off, I held the other leg out, he took the shoes off, cuff the leg, Then

we walked out of seg. went up the hallway, without clearing' - - the hallway, of this PC inmates with (cuffs and shackles) - - on we came up to a group of inmates with no restraints on we then went into the [holding block] where he push me on the wall hard... Told me not to say another word, pointing his finger! I didn't let open the holding tank door, push me in. Came back - maybe 30-40 mins later. Told me to get my property, the best way you can; I grab two (2) bags, then left out the door, where he call on (walky-talky) mic, clear the hallway, from (holding tank to 'H-J-K' where I walk down the hall, with in my boxes in socks (shackle, and cuff from the back, with some of my property, went to J-pool cell: 209 He later came back with the rest of my property tells the inmates if I calls 'P.R.E.A' one more time, I'm going to let one of ya'll come out and rape / hit a -- for real!

RE: This is a request for Administrative Remedial;  
Ongoing P.R.E.A. violation, of Deliberate Indifference.

To whom it may concern;

On the 1<sup>st</sup> of June, 2018; Around 8:50pm - 4:30am. I had awoken from a sleep. I Notice my anal was feeling funny... So got up and ask my cell, have he touch my butt? Cellmate stated "NOW! I DON'T GET DOWN LIKE THAT!" I said do my self that Yeah he did it cause he's the only one in the cell: 207 / DELTA POW, Wilkerson County Correctional - Facility.

I have also other dates such as (May 22, 2018) when I was in cell 167, by another inmate, who had also violated the [Prison Rape Elimination Act of 2003] in which staff had violated my rights such as the 8<sup>th</sup> Amend. of the United States the Constitution, title "Cruel and Unusual Punishment

At Farmar v. Brennan, 511 U.S. 805, 838-42 (1994) - Prison officials may be found liable under the "DELIBERATE INDIFFERENT", test denying humane condition of confinement only if they know that an inmate face substantial risk of serious harm and they disregard that risk by failing to reasonable measure to abate it. ~ I had let the intake staff know of my living condition, being sexual assaulted while in a deep sleep! which is a disorder that develop over the years. .. Staff and inmates are taken advantage of this condition. Trying to get me to act out, before coming back up for parole. ~ This is why the inmates are attacking me, in my sleep!

I never went to medical for none of these sexual assaults, to see if I have indeed been sexual assaulted; when I complain, I had also let the Administration of me being housed in a cell by myself, so I can't say if my cellmate done it or not... And they did; place me in a cell by myself so I can't accuse any, then they (remove) me, place me back on

DELTA POD, where the sexual assaults continue, I was further harassed, move from (Ad. Seg.) 102 to J-POD 209, <sup>LONG TERM without being classification</sup> after being over there for a week. . . Capt. Scott, and Capt. Green, move me back to DELTA POD; where assaults took place on 6<sup>th</sup>, 12<sup>th</sup>, of April, when ORRIN came on the zone; 22<sup>nd</sup>, move to cell 201, and the 31<sup>st</sup> or 1<sup>st</sup> May and June 2018. (I'm on psych. med. and place in cell with inmates that's not who cause these attacks) Therefore, staff are condoning in Institution Abuse Practice, by allowing these inmates to continuing with these sexual assaults. And having to (Monitoring me with some kinda Device), through the inmates by the (Psych. Dept.). - This is the main reasons they have to keep me in the cell with other inmates, with this prison. . . official duty under the "Eighth, 8<sup>th</sup> Amendment is to ensure reasonable safety" - They ain't done since I arrive March 28, 2017.

### Relief

- More P.R.E.A, violation on Delta Pool, -

To whom it may concern: FACTS

More "Prison Rape Elimination Act of 2003," has occurred with me since. I've been back on DELTA Pool: April 3, 2018 starting at cell 101 - April 6<sup>th</sup>, 12<sup>th</sup>, move to cell 207 more sexual assaults, has taken place on - May, 6<sup>th</sup>, 21<sup>st</sup>, when Dr. DUNN, walk around, then on the 31<sup>st</sup> After my cell mate talk with (Invest. Turner) and told him he doesn't do that type of stuff, that night on the 1<sup>st</sup> "he made his move" - June the 1<sup>st</sup> I move to cell: 203; two or week later I move to cell: 109 due to ~~cell~~ him - having his custody change to C-Custody; June 25<sup>th</sup> before cellmate was supposedly went to the hosp. I notice when I got up I put a (ARP) in, which these (C.I.D) P.R.E.A are not getting the complaints cause when I send them in I don't get no response on them.

These people are in direct violation of the P.R.E.A. policy #20.14.01, by not following the policy itself, one for placing me back on the very pool I first made the complaints at, and not placing me in cell by myself with knowledge of these inmates are attacking me in my sleep. And when I awaken I'll feel ~~temper~~ with, this has happen over again. And yet I am still being subjective to more 'abuse' can't get no help for the staff who seem are the ones, egging these offenders to do this - violations. "8<sup>th</sup> Amendment United States Constitution, title: Cruel and Unusual Punishment."

### Relief

1. Request whos responsible for all these assaults be terminated from their job and position.

Re More Harassment by inmates, per order MHT-Cale and  
psych. Dr. Dunn - Mailed legal letters to Attys.

Dear Mr. Bradley:

I am writing concerning to see why are your staff; is  
breaking the laws and policy of M.D.O.C. #20.05.01 title: Protection  
from harm; by (1) The inmates have some type of listen monitoring device  
that can tell what you thinking, how you feeling, wake's you out of sleep! put  
evil thoughts in your mind as soon as you awaken! ~ watches your every  
move... I've notice it; when I do something wrong; like rock to side side  
I will hear inmates state "That's a punk!"; if I scratch my butt; I'll hear  
"Yeah that's a punk!" No matter what I'm doing inmate are looking at it.

I do believe they don't supposed to no type of Electronic device  
or parts; according to the M.D.O.C. Disciplinary Procedures, #18.01.01 which  
make that offender breaking such rules as a category C-7 a major violation  
For the Record; NO! I'm NOT losing my mind sir. If that's what you're  
requiring. I've been going through with this some ~~x~~ years now and the  
gang member stated it ain't going to stop! ~ I'm not trying to stop it just  
go around it. Thanks for placing me in a (single cell) now I can't say  
someone is ~~p~~ raping me. ... (2) I like to also let you know, that I did  
mail out a motion to the U.S.D.C. I with a attached ARP - From Gina M. Loed  
and two (2) letters to the attorney's out of hattiesburg, Ms. Through the  
(I lap dept.) on Feb. 15<sup>th</sup> 2018. Didn't fillout postage fee slip like I always  
do... She stated no need; I been fillout them so the dept. can take the funds  
off my account. Since (2004) now it stop? Someone is trying to stop my mail from

On the 27<sup>th</sup> day of March, 2018 - Around 4:49am 5:20am inmates in Administrative Segregation (Ad. Seg.) — On the left side of the zone, starting from cell: 106 - 109 top and bottom tier. Which can tell what I am thinking, how I'm moving in this cell; with a (Monitoring Device) in which they are not suppose to have in their possession.

Are reading my thoughts; calling me punks, that's a punk - Showing the video, to inmates who come on the zone, like on the about date morning maybe 7:50 - 8:10am the inmate gose to his cell: and see the video; state HELL NAW! Before leaving off the zone Review Pelco footage. I stated I'm going to call the P.R.E.A. HOTLINE today. DEAR MRS. MARJORIE :

Please be advise I'm writing seeking your assistance, and either place me in a (single man cell) or move me back - to M.D.C. / where they housed Protective Custody (P/C) - Offenders, in cell by themselves. Due to me having numerous violation by both offenders and employees State and Private staff; are the meancues, who's engaging in these Prison Rape ELIMINATION - ACT OF 2003; where staff are aware of the condition I'm in - where, inmates attack me in my sleep. Doing Lords knows what either way, I've tell every body know when I first came - down here, "MARCH 22, 2017" - I told all the counsel's I've been "rape in my sleep", and that I have to be in a cell by myself ~~and~~ so I can't accuse anyone for attacking me in my sleep.

Cause, this is why I'm on (P.C.). LT. Lola Nelson, place me on their, do to me having many (P.R.E.A of 2003) violation, happen to me over the years; at Parchman, Ms. (M.S.P.) so she sent me down here. ... But it only made it worse! Cause now they have me on a "ZONE full of homosexuals; undercovers; active ones as well." Since then, I've been sexual assaulted, verbal-harassed, -mental psychological drumma tax; from a series of (P.R.E.A. of 2003) violations.

I talk with the wardens, I wrote the C.I.D. (SEAN K. SMITH) filed ARPs, over and over again... Still they left me here for another, Prison Rape Elimination Act "To take place, even the psych. Gile, have first hand, notice of these 'P.R.E.A.' violations. And still left me on this zone to have. [MAJOR DANIELS]; tell Capt. Green, to put a inmate in the cell with me... I wouldn't let him in at first; Capt. Green call for (maintenance) to take my deer apart; first placing me in (hard cabs) - NOT one time did, call the psych. Dr. / counsels; to see what problem I might have; I told them - that I've been RAPE! THATS WHY! He still gave the mase! for me... Eitherway, On the 2nd I have reason to believe that I was sexual harassed, while I was sleep. Then when I awoken, I heard inmates on the bottom tier saying that "some one is a Punk! Shaken his hips from side to side." I wrote the medical Dept about someone havent a (Monitoring Device) And that Im in a cell where the device ~~could~~ work". This is why they want LEGAL somebody in the cell with me all time. They are placing my life endanager by putting these GANG MEMBERS; ~~who~~ who are the ones thats helping these officers - Messover me. So now before going to the courts, on a civil matter. I come to you first! Move me to a single man cell or / off to another prison such as "Rankins County". Center Miss Corr. Fac. So now I'm seeing what's going on; staff are working with these (Gang Members) to sexual assault me, or harass, every chance they did do to the - - (Monitoring System) they have instored, in this cell.

And given it to the inmates, to watch me in this cell; which is a direct violation of my rights to be - (protected from harm) - while on Protective Custody, PC - This is what I believe is 'why?' this (Admin) will not place me in a cell by my self. Re: Updated parole notice; Application Form -

Dear Mrs. Arbanuth:

DATE: \_\_\_\_\_

I am writing you concerning me coming up for parole -- on this life sentence I'm serving, let me give you the run down on what's been taken place with me; concerning this parole issue okay.

For the last two (2) set offs; by the board I was without a --- Application Form, filled out; no newspapers notice to the county where I caught my charge at... For public notice so the 'board', didn't have nothing really to go on; cause the case managers didn't send them the parole application for them to go by... So they did what comes next. (Set me off!) Now, I sued those peoples who are trying to keep me here... And other words if you are trying to keep me, (incarcerated <sup>please</sup> ~~please~~ 'remove yourself or your workers away from my case... Before you even have to do anything dealing in my case cause, it's a lot of stuff, dealing with me, making parole 'somebody don't want me - to get out!!' - I don't know who it is, but they'll call you and let you know to stop me anyway you can. And you'll be a defendant in my upcoming suit cause (one) I told you and your coworkers that I'm getting 'rape' in my sleep! - you didn't do nothing about it, and several more times, and I still couldn't get no help! (two) I already sued your boss (Pamela Robinson) so you know she wants some get back! - three (3) I'm telling you (Now) it's going to be some foul play with this parole, so you do your job! That's all I'm asking. Get out of my way.

I have a great deal of respect for you, and your coworkers, and I'm not trying to lose none. I wrote everybody I can think of about this parole issue. and so were in my bone; I believe this is where all this homosexual stuff is- coming from, somebody want me to be a punk so bad! To where they are making me act like one, by mere words, have recording device in my cell; where (maintained) place it in here when I first got here... And have all the (gang members) to participate in this little program; that have with me. - And all they trying to do is to -

page 1 of 2

EXHIBIT: BRODS <sup>get</sup> me

to hurt somebody!! it can show on my rec'd. That I'm still with the violence, he still hasn't learn his lesson, set him off three (3) more years... You see where I'm getting at?? They are using the system against me. To have a reason(s) to keep me in here. I'm tired of doing time! I tried to be good and do the right thing. Hopefully they'll let me make parole. And I get out, and stay out! But how can I, do the right thing when I - peoples, on the outside as well! Trying to keep me in here as well. This is all true what I'm telling you. .. They got a 'reward' of \$80,000 new! For who all can ~~help~~ help keep me lock up! Yeah, these (gang members) are - trying their best to get it - - They can't kill me, I get to be alive, in order to receive any of this money! They scared my poor family to death! They - losing their houses, land etc trying to keep me alive! Low down bitches!

This just a lit bit what's happen with me, but back to the issue. I need to have, a (halfway house address) so I can parole to; can't be from (Jackson) got to be somewhere else. They'll be waiting on me their. - So find somewhere else; to parole to; this was the big deal last parole hearing (addresses) so have that ready to, Ms. Arrington, is cool, but she have to many issues dealing with these (ANGGAS) back here, she'll be the one to do the application form for parole! ~ I supposed to come up two (2) months prior, the original date. (February 24, 2018) two (2) months will be (Dec/2017) so its about that time looking forward on hearing back from you soon concerning this issue.

Rel Still being harassed by these homosexuals  
 on DELTA Ad daily's (P.R.E.A of 2013)

Dear Mr. Bradley:

NOTICE

I am writing concerning these inmates have some type of recording device in this cell on this zone, that can detect my thoughts, my movements, this thing even wakes me out of a dead sleep!! ~ And this is being going on for 8 months! ~ I wrote you, Mr. Turney, Major Daniels, Larry Lee - the Psych. Doctor, the psych counsel Gile, and they just ignore me as if I don't know what I'm talking about, before I file into the court or this (Prison Rape Elimination Act of 2013) - I'm given you a chance to investigate it...

I am in receipt of my mail not going to certain officials, such U.S. Dept. of Justice, A.C.L.U. / M.D.D.C., cause the samethings I'm complaining about in the (Affidavits) still go on today, with this inmates, having control over us inmates on this zone. Let me remind you again Mr. Bradley - since you don't give a DAMN! ~ There are (ZERO Tolerance) against Sexual assaults and Sexual harassment! And ya'll are not responding to it regards to policy, personnel, and physical plant...

I believe the device is now, down stairs, from cell (101 - then 108) cause they are letting me know, whenever they get the chances by waking me up every morning saying the same old stuff. "That's a Punk!"

You have been place on 'notice'

To whom it may concern:

I'm writing to let the administration know that I am still being ~~am~~ harassed on DELTA POD; by these (Gang Members) who is attacking me in my sleep. AFTER letting Ranking Staff know what's taking place, who in return, place another offender inside the cell with me. . . Jan. 3<sup>rd</sup> 2018 another (P.R.E.A of 2003) has taken place with me in cell # 208. I wrote the Chu Tilver, the new case manager of C-D-E, who came on the zone (Jan. 5, 2018) went to every door, talk with ever inmate on the Pod. except me. ~ When I call her, she keep on going.

Staff are making sure these inmates; sexual assault me; still - - don't know why? or their purpose for doing so. Eitherway, they know of my condition, when I first made it. I told them that I couldn't be housed with another inmate cause they are playin' in my back!! when I'm sleep!! ~ Instead they still place (Raymond Pitts) in the cell with me who violated me; then Left.

Whenever, they case managers come on the zone, they will make all type of loud noises, as if they want to fight each other, cursing, soon! ~ Then they will get in front of me; its on (camera) in grabb? themselves, in my present. . .

A direct violation of the (Prison Rape Elimination Act of 2003) - And it still keep on going even right today! Aint nothing has been done about it they aint trying to place me where I can be safe away from these "PREDATORS".

### Relief

1. Request to be rehoused, in a cell by myself at any facility that housed Protective Custody PIC. offenders.

Re: <sup>ONGOING</sup> Verbal and physical harassment;

DEAR \_\_\_\_\_ (NAME OFFICIALS)

I am writing to see if you can check with the this harassment that causing mental - problems with me, ... Cause it seem if the "psych. dept." ... Have a lot to do with <sup>WHAT</sup> happen with me at this prison; cause I'm noticing when I come out of my cell. ... I'll see inmate grabbing on themselves, talking all day long; that somebody is a punk -

And, these inmates have a (monitoring device) that can tell what you are thinking. Can ~~even~~ wake you up - out of a sleep! <DEEP SLEEP>; Cause as soon as I get up I hear inmate "THATS A PUNK! HES A PUNK!" and this will take place on the weekend; FRI, SAT, and SUN. When aint no officials aint here; so just in case I want to run my mouth like now, it wont matter. Cause, dont no other officer give a heck! That they can do this; and get away with it.

Here I am having to hear this bull, everyday; ... Now, who I think, brings the device in, is the inmate who goes out the door. ... To talk with the person, Mental Health Counsel Gile; cause two to three weeks ago when in his office the man, a employee of M.T.C. not being professional, in his job title; or position. Had call me a 'punk' I was shock! Knowing hes a mental counsel, and ~~to~~ suppose to help other then hurt. ...

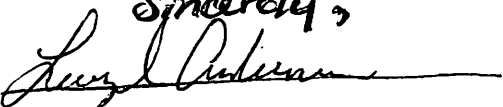

And another LT when going to -ILAP/SERVICE- was making a sucking sound; right when I was about to step in the (ILAP dept) — A black male, late 30-early-40s LT, bold headed... He to was being unprofessional -- in his job title.

I'm trying to see if you are aware of what's happen with me, on 'delt pod'. I'm sure I ain't losing my mind and that it's been going for months I just said something about course, now it's start back again. And they gave the device to (Inmates) on this pod... And every body calling punks; it's gotten old. Plus, it's messing with my every day living. Medicine not working; And look into my mail that's been place in the box my self. Going to my family, where these inmates, will look into what I'm writing, when my back turn reading my mail... Will rewrite or don't send the letter out

[If] they see anything, concerning them doing this type of harassment; Intear, they'll get into; and it's mostly the whole pod... So they are getting paid to do this; or — they won't have nothing to do with. At all;

I'm looking forward on hearing back from you on these issues. Thanks for your time.

On the 6<sup>th</sup> or 7<sup>th</sup> day of November 2017. Came to my cell with a letter; and was about to give it to me, until I said "come on with it," and "you come on in with it"—just "flirting" not meaning no harm, she said "OH HELL NO!" Left with my mail, and never came back!! This was her intention the whole time, she was wearing those tight pants I couldn't take it I had to say something!

Eitherway, I didn't do nothing for her not to give me my legal mail... She didn't write me a (PVE), so it couldn't be that bad—she didn't call for backup for a 'Sgt. and up', so she is in violation of the law! Title: Cruel and Unusual Punishment, a 8<sup>th</sup> amendment - constitution; U.S. C.

She knew I needed those papers for the court; and she took it like I had a GUN or something! And still can't come back;

To whom it may concern:

This is a letter of why it's so hard for us, or me to see the (Doctor)? I place sickcall after sickcalls, <sup>(loss of weight)</sup> and still don't -- get the medical care needed; one - don't have my glasses, which - left "unintentionally" at Unit 21-G, bldg.; two - I'm trying to enroll into a educational program, so I can be place into a program upon - request of the (Miss. Parole Board); three [3] need to make sure any of the case workers, don't try and stop me from making parole like the MTC/staff; done at [Marshall County Correctional Facility;] February, 2016. Either <sup>way</sup>, but paper works, or having inmates to set me; and the 'Program' I am talking about still goes on today! It's how they <sup>are</sup> keep me within the system. Just last year 2016 Gm-Johnson, didn't let me fill out any application form; to determine parole release, or etc. And I'm noticing how they are, trying all type of stuff, on me to get me to act out, in a violent ~~manner~~ manner. I still ain't done it <sup>(Crazy for me)</sup> anything that will break the rule of W.C.C.C.; but I need your check on these issue, cause I'm <sup>going</sup> up for parole soon. I don't know if I'll be at this prison, when I come up in February, 2018.. which is the original date; and four (4) — I have a half of a - mattress, with little cushion in it. No pillow, No Locker Box, shake down they tech sheets, big towel had in the door. Legal papers, etc.

Looking forward on hearing back from, on these issues listed (above)

Re: (Investigation) continuance of P.R.E.A.  
violation, at W.C.C.F. Anderson vs Morris, no. 4:16 cv 101 DMB-JMV

DEAR Mr. Smith:

### NOTICE

I am writing concerning me whos still going through P.R.E.A. at these Prison. Its seem everywhere I be ~~be~~ housed at, it seem. I can be free from these (sexual harassment or assaults) by these geng members, and who are working for someone within the 'Department', I was under the Northern Division, director Ms. Lola Nelson, at Parchman, Ms. who sent me down here to "Wilkinson County Correctional Facility" (WCCF) where the events started back up. On the 7<sup>th</sup> day of April, 2017. the 16<sup>th</sup> as well, And for the month of May, 6<sup>th</sup>, 22<sup>nd</sup>, 2017. Are the days or nights the (Prison Rape Elimination Act of 2003) has taken place. Officials here who has had me on the 'roster' in cell 210, 109, but I been in cell 208 The whole time. (Review the Camera) since March 23, 2017.

Officials here are still make like they dont know what to do? When I.. told and wrote them, ARPs, Letters, even talk with them about these events thats taken place with me; at these Prisons. They said its just a "Mental-~~State~~", Im going through I said its REAL! Cause so many ~~Peoples~~ are being involved in this deprivation of Rights, for the purpose of [Retaliation] or to make me be something Im NOT! To justify their reason for all the violations with the (department) and these Private Prison MTC, now I have this case with the court. Im still being harassed, by inmates who interm are "Grabbing on them selves, tempting with me while Im sleep!" conversation on if I a Punk! or NOT!," Denied Medical, Mental, health - care; place several sick calls, and still havent ~~been~~ been seen by a Doctor.

Officials had inmates assault me for no reason whatsoever! (April 12, 2017) a inmate run-up to me, with a "broomstick" and hit me in the head (twice) before I get up and ~~start~~ <sup>start</sup> fighting him back! Thats when he took off - running around the zone. . . Just showing you thats, a under hand thats

not being showed and; it need to be brought out who they is-  
cause, I'm notice everytime I get ready to right something -  
to the courts. All type weird stuff start happen toward me.

Someone, with the 'department' is having these inmates and  
MTC employees to harass me, due to the civil complaint with the  
United States District Court, Northern Division, Greenville, Ms.  
in which I supposed to going to court. ~~on~~ these PREA violations.  
And I'm still having problems dealing with this issue.

Now, I'm writing to you cause I've talk with the casemanager  
wrote the Wardens, and done ARPs who state that I have to many.  
ARPs in already. And have to wait, to they be process. So here I-  
am trying to see why I'm being Retaliated against. When I'm-  
victim here, and I tried to overlook what's happen to me; but they  
know I'm getting ready to come up for 'Parole' who's ever behind  
these violations - Is trying to get me to cause harm to him, or  
them, so I want make parole, do to assaults or death, for these -  
(Ongoing substantial risk of harm) and that they made sure I was  
place in a cell with a inmate so they can keep up with my next  
move to the courts.

These allegations need to be (~~investigated~~) as to why every-  
where I go. I'm being subject to Prison Rape Elimination Act of  
2003 - And the officials are not trying to place me in a close confine-  
ment cell due to my disability of sleeping deep or being drugged!  
And they know this; so they make sure someone is in the cell -  
with me at all time, ~~SEE~~ when I was at the hospital Unit 412-  
Hospital, Parchman, Ms. [Sept. 2016 til- February, 2017] where I was  
complaining about staff allowing inmates to come in my cell while  
I was sleep! % Smith, % Willie Brown, % Sgt. Williams, % Sgt. THOMAS  
% Harris, % Streeter, all played a role in sexual assaults; or -  
harassment

You have me sign some papers saying you are going to put me in a cell by myself; hear it is some 9 days later, and I'm still in a cell with a inmate; -- who was place in here by force!

Now, several sexual assaults has taken place with me; see ARP office; and you lied on Warden Bradley, stating he said to move me in a cell by myself! Now, my life is in danger due to you lying to me.

Secondly, Why are ya'll stop our (ILAP SERVICE); for the last two (2) weeks I've been denied the Right! To (Access to the court) I'm placing you on (notice) of these incidents.

DEAR WHOM IT MAY CONCERN:

I am writing due to me having another or (supposedly) have a sexual assaults being place on me; in the same cell - as before; with both me and cellmate was sleep. ~~xxx~~ DELTA-Ped Cell: 208

On the 22<sup>nd</sup> day of May, 2017 Around 5:40 - 7:20 pm. The door was closed and lock by (Floor officer) for count time, I layed it down went to sleep. When I awakens; I heard inmates talking and I felt funny. when waken up. . . Upon information and belief; I believe staff such as Unit Manager & Casemanager are the ones up to having these inmates up to the assaults while one is sleep. Cause, the door was never was supposed to be open! Unless one of these inmates have the (keys or a key); this is the third (3<sup>rd</sup>) time; this has happen.

Failure to Protect & when I first made it here at (WCCF). I told the counsel of my condition; and that I need to be in a cell by my self. . . But the psych counsel stated out loud! "Aint no single men. cell) indicating he wants me to be housed with a inmate; so these Sexual Assaults can continuing to happen toward me.

Re: "Life BEING PLACE IN DANGER" - NOTICE

Dear Mr. Bradley:

I'm writing concerning my Life being in danger, I talk with Dr. Dunn, and Major Daniels, who both agreed on putting me back on (Delta Red) I told them, that I didn't want to go back out there; Dr. Dunn, stated that's on Security dept. not me - I look at Major Daniels, and stated the only way I'll go back out there; if I'm in a cell by myself.

Major Daniels, stated that I'll be in a cell by myself, with a sign on stated "NO SPICE OR WEED, in this cell". As a laughing-matter... As that's the reason(s) why somebody is playing in my butt, or sexually assaulting me... The (gang members) have the PC's doing this, as a matter; if who ever close it, Gets to come back into the 'gang' -

I'm aware of what's going on around me; you need me to be back in (general population) so these 'niggaz' can try in step me - from Atling this law-suit on (M-T-C) for my rights being violated by these staff members, after I told them several times, that my Life in danger by the PC inmates and whomever else;

RE: This is a request for Administrative Remedy:  
 Verbal harassment violation of policy, 'P.R.E.A. of 2003'

To whom it may concern:

On the 15<sup>th</sup> day of March, 2018. Around the time 2:30-3:30 AM  
 I was awoken by something, hearing two (2) inmates voices stating -  
 "Man Yacks a Punk", how he let guys play in his A--!" Each time I --  
 move around in the bed, these guys with this [Monitoring Device] will  
 say something letting me know that they are watching me.

Dr. Dunn, states that I have a (Delusional) problem; to where I  
 thinks things are happen with me, when they are really not! I say -  
 she might be right until they do something that makes what I say the  
 truth.

Eitherway, this is got to stop. I've been housed only two (2) -  
 places Delta 208 and Ad. Seg. 102, and no matter where I go the same  
 thing keeps on happen. So ~~any~~ either I'm (delusional) or these gang -  
members, where it started from in the first place are still doing these -  
 sexual and verbal harassment on me. Trying to keep me from writing  
 the courts for these officials.

### Relief

1. Request that these verbal harassment stop! Soon or I'll be force to -

So, I will forward your request to staff to look into what can be done, if anything for you.

AFFIDAVIT OF --  
LEONZEL ANDERSON  
HOUSE AT W.C.C.C. ON  
DELTA POD: 109

I Leonzel Anderson, msp# SC0185 - Swear and Affirm that the below mention is true and correct to the best of my knowledge:

I.

THAT The Defendant(s) here at Wilkinson County Correctional Facility (WCCF) in this complaint, are having these inmates, to read my AFFIDAVITS, COMPLAINTS, LETTERS, NOTICES, to the Courts and Wardens etc. Further, they still have this Monitoring Recording Device where they 'can tell what I thinking, look at whatever I'm doing; in my cell. Sum '8' doors downs. Cause they let me know, through conversation with eachothers. And I hear it. This how I know: Psych Doctor Dunn states I'm delusional.

II.

That On the 4<sup>th</sup> or 5<sup>th</sup> day of August, 2018. "MH GALE" call me. to the door; ask was I okay? "I said, That I was alright for now," For the last two (2) weeks I've been okay! Meaning I haven't been sexual assaulted/abuse. That I know of.

III.

On the 25<sup>th</sup> day of July, 2018. Mailroom sent my indigent letter - back, said that it need to be (stamp indigent) so I woke up the next morning and gave it to ofc Gibson. Told her to give it to the Case manager Vanaronal so she can [Stamp it indigent] so I can mail it back out; she place it back in the (mail Box)! ~ The (inmates/gang members) got the mail late night while I was sleep. "WROTE what they going to write -

(AFFIDAVIT)

place it back in the envelope seal it up put the letter and the pill packs in my door. What gave them away, inmate - stole the pills out of my medication pack! ~ I woke up got my pill pack, that there was no pills in the pack! Put the envelope mail back in the door. This is how I know they are tempting with my mail ...

The following day I gave it to another floor ofc. tall - heavy set brown skin / wear glasses; work the floor on that day. She supposed to have get the envelope (stamp indigent) and place it in the (mail box) And she came back on the pool told me, personally that she did.

#### IV.

Upon information and belief: "Gang members", are in contact with my family member, having them to give them (money) as if they are me by texting them and these officials are in couchees with them; cause when I write my family to tell them what's going! The mail room will stop! All mail with my name on it — with out letting me know. What's going on or to the name and address: of Gloria Moore, 5565 DECKARD DRIVE, JACKSON, MS. Cause they feel as if they know I have supporting me; and they can get her to stop! Then they don't have to worry about no outside help! ~ OR Money receiving money for commissary; trying to make it where, they can EXTORT, BET, BRIBE, my family out of money!

#### V.

Upon information and belief: "GANG MEMBERS" — if one dose what they are told on Protective Custody (PC) like Patrick Nicklson; They will be let back into their (GANG); other than that, they will have to remind on (PC).

Continue from page 5 V (AFFIDAVIT)

They are having these former gang members, to perform all type of acts on me. and the (Administration) knows of this, thats why they "Must have me in the cell, with some one". Cause, I ask several times, to place me in a cell by myself. They refuse to place me in a cell by myself for my protection. Cause Im being (drugged) by these gang members; while sleeping they will do these acts for the (psych. dept.) they day, before they come around. While doing that for the (psych.) they'll also do something else for my family. To be scared of and send them money!! So they want do whatever it is they are doing no more Plus, when I talk to my family they'll have my family; not to tell me whats going on. With threats! ~ I have most of these offenders names would (W.C.C.C.) do not provide enough protection. Thats why so many inmates are dying at this facility.

**Facts**

More, 'Prison Rape Elimination Act' as occurred with me. Since I've been back on Delta Pool, starting back up at cell 107 April 6<sup>th</sup>, 12<sup>th</sup>, move to cell 207 more sexual assaults, has taken place on May 6<sup>th</sup>, 21<sup>st</sup> when Dr. DUNN, walk around Then on the 31<sup>st</sup> After my cellmate talk with (invest. Turner) and told him he doesn't do that type of stuff! Late that night on the 1<sup>st</sup> "he made his move" June - the June 1<sup>st</sup>, I move to (203) two (2) week, later I move to cell 109 due to him having his custody change of C-custody June 25<sup>th</sup> before cellmate was supposedly went to the hosp!. I notice when I got -

up I put a (A.R.P) in; which these C.I.D. P.R.E.A are not getting the complaints cause when I send them in I.. I don't get no response on them.

These people are in direct violation of the (M.D.O.C) policy #20-14-01, by not following the policy itself. One for placing me back on the very pod I first made the complaints at, and not placing me (in the cell by myself) with knowledge of these inmates are attacking me in my sleep. And when I awaken I'll feel tempted with, this has happen over again. And yet I am still being subjective to more abuse can't get no help for the staff who seem are the ones, egging these offenders to do this violations

### Relief

1. Request who's responsible for all these assaults be terminated from their job and position.

Re: Inmate having Monitoring Device,  
(CONFIDENTIAL)

Dear Mr. Bradley:

I am writing you to place you on (notice) that -  
One of these inmates have a (Monitor Device) in their cell -  
And that this is a (confidential) matter; is why I didn't  
address the matter Warden Walker, who was with K9 - getting  
ready to shake down (P.Q.R), Warden Turney who was -  
in educational class with other officers, Mental Health -  
Gale, who I believe gave the device to the inmates -

And the gang members are the one who's keeping up  
all the punk talk, by listen, watching me, placing -  
homosexual thoughts in my mind with this device!

On the 28th day of March, 2018. Around 4:50 - 5:10 AM  
waking me up out of my sleep, with the punk talk, which  
is a tactic, to make me want to leave out of ad seg.  
And that's something they can't get to worry about!

This is a notice of why I didn't address the  
Wardens, on my way to (Attorney visit)

Re: Failure To Protect, (NOTICE)

Dear Ms. Tollivore:

On the 3<sup>rd</sup> day of April, 2018. Around the time 11:20-12:00pm.

I was told to pack up by a Capt Scott. And when I refuse; she call for back up! That's when Capt Green came with two(2) more officers -- a Sgt female put the key in the door Capt Green, told her to open it - without placing me in any type of restraints or cuff he told me to -- pack my stuff; I did I guess I was moving to slow, cause he reach and grab my property and put it in the cart. ∴ Capt. Green and Capt. Scott both knew of my condition on Delta pod or if I be place in the cell with another offender, that the gang members are hawing these inmate - to perform acts on me why I'm sleep! I told you this when I first receive at this prison (March 22, 2017) but yall still place me in a cell with someone;

Eitherway, I'm placing you on (NOTICE) that I'm in a cell another inmate and I had shrick order from The Director of MTC and the Commissioner Pelicia Hall to be place in a cell by myself so - why Capt. Scott & Capt. Green still place me in a cell with another inmate and I told them my life was in danger. . .
